

FMC MAY 2015 MONTHLY

Monthly Message from Freesia Macross Corp.

A Japanese Extruder Manufactuer.

1. Presently, Yen vs US\$1 \doteq JPY115~120

Japanese Yen is weaker toward US Dollar.

One of the Best timing to purchase MADE IN JAPAN products.

2. Three Units of **NR2-75mm** would be ready for shipment by **endJune 2015** on top of our normal production.

These three units are under production for **endJune2015** cargo-readiness.

First Come, First Serve Base!

If these three units are sold, then the delivery would be 105days after we finalize the deal, which could be acceptable to you as well!

We wait for your inquiry!
