

# **FRESIA MACROSS CORPORATION**

## **2014 FEBRUARY MONTHLY**

*Japanese Yen getting a little strong toward US Dollar however, still holding around JPY100 = US\$1 as shown on below graph.*

*It could be a good timing to consider purchasing our machines.*

*If you are interested in obtaining non-obligatory estimate, please don't hesitate to email me.*

*We usually offer our standard price for your review. If you need price concession, we need to know your definite purchase price or at least your target/limit price so that we can study what we can do.*

*Usually more the contract amount, you will have better opportunity to obtain price discount subject to board of director's approval.*

*Also, if you decide not to purchase our products, we appreciate if you could inform to that effect with certain reason so that we can improve ourselves.*

**We wait for your INQUIRIES!**
